Welcome to Tokyo (東京), JAPAN October, 2021

NIER is planning to have an International Symposium followed to the GA meeting. Back-to-back Symposium is the first attempt in the GA history! Details will be informed soon!!
Japan is east of the Eurasian continent and is located on the border between the continent and the Pacific Ocean.

The total land area of the Japanese territory is about 378,000 square kilometers, which is about the same size as Germany, Viet Nam, Iraq, Zimbabwe, or Paraguay. Japan is an archipelago of about 6,850 islands.
