

Curriculum Vitae

Personal Information

First name(s)/Surname(s)
Professional email
Work phone
Gender

Sabine Meinck

sabine.meinck@iea-hamburg.de
+49 (0)4048500750
Female

Position/Organization

Work Experience

Dates
Occupation or position held
Main activities and responsibilities

10/2015–Present
(Co-)Head of Research and Analysis Unit
Lead of unit
Coordination, guidance and support of all research activities within the IEA
Implementation of content and methodological research in large-scale assessments
Conducting workshops on methodology and the science of large-scale assessments, statistical data analysis, and academic and policy-relevant writing
Stichting IEA Secretariaat Nederland, IEA Hamburg
Non-profit research organization

Name of employer
Type of business or sector

Dates
Occupation or position held
Main activities and responsibilities

10/2011–Present
(Co-)Head of Sampling Unit
Lead of the unit
Coordination, guidance and support of all sampling activities within the IEA
Sampling design development and implementation in large-scale educational surveys (Starting Strong Survey, IELS, TIMSS, PIRLS, ICCS, ICILS) and German national surveys (e.g., educational standards etc.)
Conducting research and workshops on sampling, weighting and variance estimation
Stichting IEA Secretariaat Nederland, IEA Hamburg
Non-profit research organization

Name of employer
Type of business or sector

Dates
Occupation or position held
Main activities and responsibilities

03/2006–09/2011
(Senior) Researcher, Sampling Methodologist
Sampling design development and implementation, weighting and variance estimation in large-scale educational surveys (TIMSS, PIRLS, ICCS, TEDS-M, ICILS) and German national surveys (e.g., educational standards etc.)
Conducted training sessions and presentations about sampling, weighting and variance estimation
Implemented of research on related topics
Stichting IEA Secretariaat Nederland, IEA Hamburg
Non-profit research organization

Name of employer
Type of business or sector

Dates
Occupation or position held
Main activities and responsibilities

09/2004–02/2006
Consultant
Consulting in statistical analyses of empirical data (high school students, postgraduates)
Self-employed
Multidisciplinary empirical research

Name of employer
Type of business or sector

Dates	04/1995–12/1999
Occupation or position held	Researcher
Main activities and responsibilities	Planning and implementation of agricultural field trials, statistical analysis and publication of the results
Name of employer	Saxony regional office of agriculture, Leipzig
Type of business or sector	Researcher

Other Professional Activities

Current	<p>Associated Editor of journal “Large-scale Assessments in Education”</p> <p>Member of IEA Technical Executive Group</p> <p>Member of PISA Technical Advisory Group</p> <p>Board member IERI Institute</p> <p>Research fellow Indiana University</p> <p>Reviewer of several peer-reviewed journals</p>
Past	<p>Lectureship at the University of Hamburg: Master course “Complex methods in quantitative empirical research”</p> <p>Member of the Project Management Team TIMSS and PIRLS</p> <p>Member of the Consortium of IELS</p> <p>Member of the Consortium of the TALIS Starting Strong Survey</p> <p>Member of the ICILS Joint Management Committee (ex-officio)</p> <p>Member of the ICCS Joint Management Committee (ex-officio)</p> <p>Member of the ECES Joint Management Committee (ex-officio)</p> <p>Member of the TEDS-M Joint Management Committee (ex-officio)</p>

Education and Training

Dates	09/1996–09/1999
Title of qualification awarded	Dr agriculturarum
Principle subjects/occupational skills covered	Thesis title: “Organic potato production: Variety choice and Phytophthora prophylaxis.”
Name and type of organization providing education and training	University Kassel, Department Agriculture and International Rural Development

Dates	09/1990–02/1995
Title of qualification awarded	Diplom Agrar Ingenieur
Principle subjects/occupational skills covered	Agricultural sciences
Name and type of organization providing education and training	University of Leipzig

Personal Skills and Competencies

Mother tongue(s)	German
Other language(s)	English
Skills and competencies	Conduct and training in quantitative statistics with educational large-scale assessment data; complex survey design, and complex sampling methods

Publications

Papers, briefs, books, and book chapters

Workshops and teaching assignments

04/2024, Workshop at the American Educational Research Association (AERA) 2024 Annual Meeting, Philadelphia, USA: "Hierarchical Linear Modeling with Large-Scale International Databases"

06/2024, Workshop "Non-participation and exclusion in ILSA studies from a practice, methodological and ethical perspective at the National Centre for School Research (NCS), Aarhus University: "Exclusion and participation rates in IEA studies"

06/2023, Workshop at the IRC 2023, Dublin, Ireland: "Using large-scale assessment data to inform policy and practice"

04/2023, Workshop at the American Educational Research Association (AERA) 2023 Annual Meeting, Chicago, USA: "Hierarchical Linear Modeling with Large-Scale International Databases"

01/2024, IERI Academy, Hamburg, Germany: "Multilevel Modeling (MLM) with Large-Scale Assessment Data using Mplus"

04/2022, Workshop at the American Educational Research Association (AERA) 2022 Annual Meeting, San Diego, USA: "Hierarchical Linear Modeling with Large-Scale International Databases"

03/2022, Workshop at the Nordic Institute for Studies in Innovation, Research and Education (NIFU), Oslo, Norway, "Sampling and weighting for large-scale representative surveys"

Winter semester 2021/22, Master course at the faculty of education of University Hamburg, "Complex analysis methods in educational research"

Winter semester 2020/21, Master course at the faculty of education of University Hamburg, "Complex analysis methods in educational research"

04/2021, Workshop at the American Educational Research Association (AERA) 2018 Annual Meeting, virtual: "Hierarchical Linear Modeling with Large-Scale International Databases"

06/2019, ICILS 2018 Analysis Workshop (on multivariate and multilevel analysis of ICILS data), Virtual workshop

06/2019, , Workshop at the IRC 2019, Copenhagen, Denmark: "Using large-scale assessment data to inform policy and practice"

04/2019, Workshop at the American Educational Research Association (AERA) 2019 Annual Meeting, Toronto, Canada: "Hierarchical Linear Modeling with Large-Scale International Databases"

Winter semester 2019/20, Master course at the faculty of education of University Hamburg , "Complex analysis methods in educational research"

02/2019, Workshop at the annual meeting of the Gesellschaft für empirische Bildungsforschung, Cologne, Germany: "Herausforderungen und Besonderheiten der Analyse von Datensätzen aus Large-Scale-Assessments"

Winter semester 2018/19, Master course at the faculty of education of University Hamburg , "Complex analysis methods in educational research"

08/2018, Herbstakademie des Instituts zur Qualitätsentwicklung im Bildungswesen (IQB), Berlin, Germany: „Stichprobenziehung und Gewichtung in large-scale Assessments“

04/2018, Workshop at the American Educational Research Association (AERA) 2018 Annual Meeting, New York, United States: "Hierarchical Linear Modeling with Large-Scale International Databases"

04/2018, Hamburg, Germany: "ICCS 2016 Analysis Workshop"

02/2018, PIRLS 2016 9th National Research Coordinators' Meeting, Hamburg, Germany "PIRLS 2016 Analysis Workshop"

Winter semester 2017/18, Master course at the faculty of education of University Hamburg , "Complex analysis methods in educational research"

11/2017, Workshop at the Regional Center for Educational Planning in the Golf region: "Policy Brief Writing based on large-scale assessments"

10/2017, Workshop at the Regional Center for Educational Planning in the Golf region: "Thematic Report Writing based on TIMSS and PIRLS"

10/2017, IERI Academy, Hamburg, Germany: "Complex Sampling in Large-Scale Assessments in Education"

09/2017, Summer academy of Hamburg University, Hamburg, Germany: "Analysis of data of the Programme for the International Assessment of Adult Competencies (PIAAC) with the IEA IDB Analyzer"

06/2017, Workshop at the IRC 2017, Prague, Czech Republic: "Added Value. How IEA study participation can meet specific national research interests"

04/2017, Workshop at the American Educational Research Association (AERA) 2017 Annual Meeting, San Antonio, United States: "Hierarchical Linear Modeling with Large-Scale International Databases"

02/2017, Workshop at the 9th TIMSS National Research Coordinator Meeting, Hamburg, Germany: "Statistical data analysis of TIMSS 2015 data"

Winter semester 2016/17, Master course at the faculty of education of University Hamburg , "Complex analysis methods in educational research"

11/2016, Workshop at the 17th Annual AEA Europe conference, Limassol, Cyprus: "Using data collected in IEA studies for informing policy and practice"

03/2016, Workshop at the 60th Annual Conference of the Comparison and International Education Society (CIES), Vancouver, Canada: "International Cross-Time, Cross-System (XTXS) Database"

Winter semester 2015/16, Master course at the faculty of education of University Hamburg , "Complex analysis methods in educational research"

11/2015, Workshop for staff members of the Georgian Ministry of Education at IEA DPC, Hamburg, Germany: "Complex Sampling in Large-Scale Assessments in Education"

11/2015, Workshop for staff members of the Georgian Ministry of Education at IEA DPC, Hamburg, Germany: "Introduction into quantitative analysis"

07/2015, Workshop at 13th International Congress on Mathematical Education, Hamburg, Germany: "Use of Educational Large-Scale Assessment Data for Research on Mathematics Didactics"

03/2015, IEA International Computer and Information Literacy Study, International Database and Analysis Workshop Krakow, Poland: "Sampling and assessment design – Implications for analysis and variance estimation", "Calculating and evaluating statistical significance"

Winter semester 2014/15, Master course at the faculty of education of University Hamburg , "Complex methods in quantitative empirical research"

Winter semester 2013/14, Master course at the faculty of education of University Hamburg , "Complex analysis methods in educational research"

05/2014, Pre-conference workshop at GESIS, Mannheim: "Analysis of data of the Programme for the International Assessment of Adult Competencies (PIAAC) - Introduction"

03/2014, Post-doctoral course at University of Social Sciences and Humanities (SWPS), Warsaw: "Quantitative Methods With Large-Scale Assessment Data: Complex Sampling in Large-Scale Assessments in Education"

11/2013, Workshop at IEA DPC, Hamburg, Germany: "Hierarchical Linear Modeling with TIMSS and PIRLS Data"

06/2013, Workshop at the 5th IEA International Research Conference, Singapore: "Sampling in large-scale assessments in education"

05/2013, Workshop at the Leuphana University Lüneburg: "Large Scale Assessments im Bildungswesen: Stichprobenziehung, Gewichtung und Varianzschätzung"

04/2013, Workshop at IEA DPC, Hamburg, Germany: "Hierarchical Linear Modeling with TIMSS and PIRLS Data"

03/2013, Workshop, Institut für Bildungswissenschaft, Abteilung Schulforschung, Leuphana Universität Lüneburg: "Large Scale Assessments im Bildungswesen: Stichprobenziehung, Gewichtung und Varianzschätzung"

- 03/2013, Workshop at the 57th Annual Conference of the Comparison and International Education Society (CIES), USA, New Orleans: "Introduction to the Concepts of Complex Sampling in Large-Scale Assessments in Education"
- 09/2012, Internal Workshop for software developers, Hamburg: "Variance Estimation in large-scale assessments"
- 06/2012, International Database Training at the 8th NRC Meeting of the TIMSS & PIRLS National Coordinators Meeting, Singapore: "TIMSS & PIRLS Survey design and implications for analysis"
- 02/2012, Workshop at the Botswana Examinations Council, Gaborone: "Sampling, Variance Estimation and Significance Testing"
- 09/2011, Workshop at the IERI Academy, Hamburg, Germany: "Principles of Sampling, Item Response Theory and Proficiency Estimation" (Part "Sampling and Weighting in large-scale assessments in education")
- 04/2011, Workshop at the 55th Annual Conference of the Comparison and International Education Society (CIES), Canada, Montreal: "Sampling in large-scale assessments in education: Introduction to the concepts of statistical sampling, characteristics of complex samples, and implications for analysis and interpretation"
- 01/2011, Workshop at the IERI Academy, Nanyang Technological University Singapore, National Institute of Education: "Principles of Sampling, Item Response Theory and Proficiency Estimation" (Part "Sampling and Weighting in large-scale assessments in education")
- 07/2010, Workshop at the 5th PIRLS National Coordinators Meeting, Croatia, Zagreb: "Introduction to the concepts of sampling, weighting, and variance estimation in educational large scale surveys"
- 06/2010, Workshop, Institut für Erziehungswissenschaften, Abteilung Empirische Bildungsforschung und Pädagogische Psychologie, Eberhard Karls Universität Tübingen: "Large Scale Assessments im Bildungswesen: Stichprobenziehung, Gewichtung und Varianzschätzung"
- 03/2010, Workshop at the 54th Annual Conference of the Comparison and International Education Society (CIES), USA, Chicago: "Introduction to the concepts of sampling, weighting, and variance estimation in educational large scale surveys"
- 07/2009, 6th NRC Meeting of the Teacher Education Study in Mathematics (TEDS-M), IDB-Seminar, Santiago de Chile, Chile: "IDB Analyzer: Computing Means, Correlation, Regression and Comparing Subgroups"
- 04/2009, IEA-DPC Colloquium, Hamburg, Germany: "Sampling, Weighting and Variance Estimation in Large Scale Educational Surveys, Part 1: Weighting"
- 02/2009, IEA-DPC Colloquium, Hamburg, Germany: "Sampling, Weighting and Variance Estimation in Large Scale Educational Surveys, Part 1: School Sampling"
